## Biology in Action

For A-level and IB students

Biology in Action returns to London in spectacular style in autumn 2020! Five interactive and engaging sessions delivered by renowned scientists and communicators will inspire and motivate your students. A special session with hints and tips for revision and examination success will provide students with the tools to succeed. These are unmissable and tremendously popular programmes.

"I don't remember a better student conference - we thought every speaker was excellent - just the right level, all animated, engaging and well prepared.."
