## Computer Science in Action

Computer Science in Action is the ultimate enrichment day for Key Stage 5 computer science students. In five lively sessions experts from academia and industry will explore relevant topics that complement the curriculum. These sessions will motivate students to excel and give them ideas about future careers. An additional talk on examination success will equip students with the tools to succeed, and each student will receive a revision guide to take home.

University of Warwick  
Gibbet Hill Rd  
Coventry, CV4 7AL
