## Economics in Action

This inspirational day of economics talks for KS5 students will feature industry leaders, academics and public servants. In five highly educational sessions these renowned commentators will delve into a diverse range of KS5 topics. A special session on examination success will equip students with the tools to succeed, and each student will receive a handy revision guide to take home.

## The economics of Uber / [Sam Dumitriu](#)

Sam will look at Information Asymmetry, how it relates to occupational licensing and the risks of government failure and regulatory capture. He'll examine some macro-economic issues of the gig economy such as increased labour supply and lower NAIRU.

Sam Dumitriu is Head of Research at the Adam Smith Institute. He is also a Policy Adviser at The Entrepreneur's Network.
