GCSE Science in Action

Join us for the ultimate science enrichment day for KS4 students 2019! Five interactive and highly engaging sessions will inspire and challenge your students. There will be demonstrations and audience participation, and students will discover the wonder of science in our specially designed programme, delivered by the leading lights in the field. A session on examination success will equip students with the tools to succeed, and each student will receive our incredibly useful revision guide to take home. This is Science in Action!

- Bring back the King – the science of de-extinction
- Does your phone cost the Earth?
- Alien autopsy
- Everest lab
- The future of energy

Emmanuel Centre, London
9 – 23 Marsham Street
London, SW1P 3DW
